

R&W-endorsed Educational Games & Apps

MATHS

- Top Marks [website](#) (free)
- MathTango App (paid)

PHONICS & SPELLING

- Read, Write, Inc. phonics flashcards
- 'Sticky-note Spelling' - A perfect way to improve literacy, concentration and spelling. You need 26 sticky notes, each with the letter of the alphabet written on them and a small bean bag or a pair of rolled-up socks. Arrange the sticky notes on the back of a door or the wall. Mark a start line a couple of feet from the door/wall. Ask the child to throw the bean bag/sock at the letters to make certain words. If they get it wrong, they must start again.
- Using a physical or online whiteboard, play hangman to improve word skills.
- Vocabulary Spelling City [website](#) (free)
